Introducing "Springy," a tech marvel seamlessly blending innovation and style. Experience the enchanting convenience of magnetic functionality, seamlessly incorporated into the cable. This ensures impeccable desk organization, creating a flawless, clutter-free environment for your daily tasks. Enjoy the allure of effortless connectivity as you power up your devices with a rapid 60W Power Delivery. The 120cm cable strikes the perfect balance between desktop convenience and on-the-go flexibility. Achieve swift data transfers at up to 480Mbps, all within a stylish nylon braided cable housing a durable copper core. The reversible connectors make charging frustration-free elevating your iPhone 15 and other devices' charging experience. With Springy, functionality seamlessly meets flair.

### Magnetic Organization for Swift Desk Tidying

Convenient magnetic feature for quick and efficient desk organization

### Nylon Braided Cable with Thick Copper Core

Durable and stylish cable design, featuring a strong nylon braid and thick copper core for reliability

### 60W Power Delivery

Charge your iPhone 15, USB-C smartphones, laptops, or tablets at speeds up to 60W Power Delivery which is faster than standard cables

### Reversible USB-C Connectors

No more struggling to find the right side to plug in your charging cable. Both the USB-C™ connectors of the Springy are reversible

### 120cm Cable Length

Ideal 4ft length that is long enough to use at your desk and short enough to charge on the go

### Data Sync and Charge

Transfer photos, music, and movies between USB-C devices at speeds of up to 480Mbps
