- Secure Zipper
- Functional Storage

SleekComfort™ Design

The design of Satchel-BP is stylish but also provides superb comfort. The design showcases professionalism that would fit right into any office environment

Supports 15.6" Laptops

The large laptop compartment has enough room to hold full-size laptops up to 15.6"

Padded Compartments

Satchel-BP has fully padded compartments, to reliably protect your laptop while you carry it around every day

Soft Mesh Straps

The soft padding in the straps, back, and bottom, along with the mesh cover provides comfort and protects the contents without looking bulky

Functional Storage

Spacious dedicated storage for laptops and tablets, one front zipper, and two quick access pockets makes Satchel-BP extremely functional
