Gesture control:

1. Place your palm above the sensor to adjust the brightness
2. Wave your hand to switch colors

User guides (MIX Acid/LS168P)

1. Installation steps

Step 1 : Read the “Notice” and reserve the wall position, connect the power supply

Step 2 : Remove the two sheets of 3M tape from the package, tear off one side and attach it to the groove behind the device

Step 3 : Remove the other side of the tape, attach the device to the wall, and press for 30 seconds

2. Notice

- Please make sure the surface on the wall is clean, no dust and water.
- When you install the light blocks, please make sure you press each light block to wall for 30 seconds right after you stick it.
- Please avoid to install light block with adhesive tape on brick wall, wall paper, dusty wall and any other uneven wall surface.
- Please avoid to install light block with adhesive tape in moist environment.
- Please don't install the light block on the ceiling without any fixators just by adhesive tapes. Adhesive tapes cannot hold the light block on the ceiling.
- Please don't use any metal or conductive material to get close to controller interface, power interface, connecting plate and slot on the back of the light block.
- Product is not water resistant, please keep it away from any liquid.

HAZARDOUS SUBSTANCE TABLE

Part Name		Grey Plastic Shell	Code Label	IC Body
Harmful Substance	(Cd)	○	○	○
	(Pb)	○	○	○
	(Hg)	○	○	○
	(Cr)	○	○	○
	(Br)	○	○	○

This table is made according to IEC 62321 test standard

○ Expresses that this hazardous substance in all homogeneous materials of this part is within limit range.

× Express that this hazardous substance in at least one homogeneous material of this part is above limit

FCC STATEMENT

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- 1) This device may not cause harmful interference.
- 2) This device must accept any interference received, including interference that may cause undesired operation.

Note: The grantee is not responsible for any changes or modifications not expressly approved by the party responsible for compliance. Such modifications could void the user's authority to operate the equipment.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.

This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- 1) Reorient or relocate the receiving antenna.
- 2) Increase the separation between the equipment and receiver.
- 3) Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- 4) Consult the dealer or an experienced radio/TV technician for help.

RF EXPOSURE STATEMENT

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance of 20 cm between the radiator and your body.

CE & WEEE STATEMENT

DECLARATION OF CONFORMITY

Hereby, LifeSmart declares that the radio equipment type Cololight is in compliance with Directive 2014/53/EU. The full text of the EU declaration of conformity is available at the following internet address:

<http://global.ilifsmart.com/ce/docs/>

Notice: This device may be used in each member state in EU.

WEEE Directive Compliance

Device labelled with this symbol should not be disposed with other household wastes. It shall be handed over to the applicable collection point for the recycling of waste electrical and electronic equipment.

WARNING

This product contains small parts that can cause danger if swallowed by children.
This product is not suitable for children under the age of 3.
Children under the age of 14 must use this product under parental supervision.

WARRANTY & SUPPORT

Thank you for purchasing this LifeSmart product. In order to protect your rights, please read the following content carefully: The warranty period of our company's products is one year from the date of purchase or longer if local laws impose a longer minimum term, in which case the minimum term is the warranty period. During the warranty period, any faults caused by the product itself or for quality problems that arise under normal usage, LifeSmart will provide a free replacement.

The following conditions are not covered by the warranty:

- ① Product failure or damage caused by installation, use, and maintenance that is not in accordance with the product instructions;
- ② Products beyond the warranty period;
- ③ Products that have the barcode tampered with or removed;
- ④ Devices that have been tampered with or customized outside of LifeSmart Terms of Service as on the LifeSmart App and website;
- ⑤ User-caused damage, such as inappropriate voltage input, high temperature, accidental spillage, physical damage, etc;
- ⑥ Product failure or damage caused by force majeure such as earthquakes, fires, or floods;
- ⑦ Product failure or damage caused by other problems except the product itself.
