

## KEG RENTAL AGREEMENT

Keg(s), along with other rentals, from are to be returned within 90 days in good condition (where condition is determined by J's Kombucha).

If keg(s), and other rentals, are not returned within 90 days in good condition, a fee of \$50 will be charged to your credit card. If keg(s), and other rentals, are not returned after 120 days, you will be charged the full cost to replace missing or damaged items.

## TIPS WHEN USING A PARTY PUMP TO TAP A KEG

### KEEP IT COLD

Either with ice or in a fridge. Warm kombucha will result in excess carbonation and foam.

### DO NOT SHAKE

Handle with care, allow for settling after transport for up to an hour.

### WHEN ATTACHING PARTY PUMP

With the tap lever up, twist the coupler into the keg until it stops (do not over-tighten). Depress tap lever.

### RELEASE PRESSURE

Open the tap until the flow stops. Pump until the desired flow is reached.

### DO NOT OVER PUMP

Only pump when the tap is open and flow has slowed. Too much pumping/pressure will cause excess foam.

### AFTER USE, STORE LEFTOVERS

Party pumps introduce oxygen into the keg limiting freshness. To best preserve your kombucha after your event, we recommend filling growlers, or other airtight containers with the remainder of the keg.
