FLORAL GRAFFITI

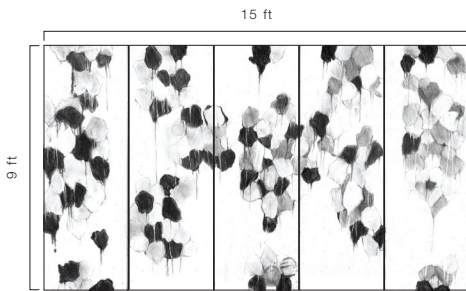

FLORAL GRAFFITI is a large-scale hand-painted abstract floral pattern made up of layers of ink applied at various levels of evaporation. The process creates a field of abstract "flowers" that appear to be dripping down the mottled field. The result is a multi-dimensional landscape that at first appears compositionally simple, but reveals a lush bouquet of texture and transparency upon further inspection.

NUMBERED, CONSECUTIVE SIDEMATCH
PANEL WIDTH 36"
PANEL LENGTH 9' UP TO 22'
5 PANEL REPEAT

REPEAT:

Pattern is hand painted. The composition of the design "repeats" as shown in imagery. Given the hand painted nature of the design no two panels will ever be exactly the same, but a continuity of design will be apparent throughout the order.
