

PORTER TELEO

UPHOLSTERY FABRIC

TANGLED

TANGLED is a hand-painted pattern that plays on both positive and negative space. Resembling the abstract expressionist paintings of Franz Kline and others, it represents hundreds of organic shapes. The visual energy is pulled in all directions due to the strong verticals and horizontals, which translates beautifully for commercial applications.

PATTERN: Tangled - Gris

ROLL WIDTH: 54"

PATTERN WIDTH: 52"

REPEAT: 52" x 7390

TECHNICAL: Conforms to CAL117

LEAD TIME: Strike off: 2-4 weeks
Production: 12-14 weeks
