Product Overview

How to use

1. Set up the Foldio3 by attaching the magnets located at the wing parts of the studio together.

2. Install the backdrop inside the Foldio3. Take note that the backdrop installation is different depending on the color of the backdrop.

* Halo bar (Purchasable separately): This is an additional lighting device which is attachable to the Foldio3. The Halo bar can be used by connecting it to the Foldio3 Dimming controller. The dimmer knob on the right hand side is used to control the Halo bar brightness.
