

PRODUCT DESCRIPTION & RECOMMENDATION GUIDE

The Standard Bundle is for individual patients who have been given the recommendation to take The POWER of Elderberries Signature Elderberry Syrup liquid once daily.

This Bundle Provides (2) months of elderberry supplementation for (1) individual adult.

As an affiliate partner, have your patients choose auto-replenish to receive the greatest savings and select the frequency of delivery to reflect every (2) months.

*The liquid must be kept refrigerated.

The Essentials Bundle is for individual patients who have been given the recommendation to take The POWER of Elderberries Signature Elderberry Syrup liquid daily to support a healthy inflammatory response in the body along with having extra doses for the on-the-go.

Patients can take the liquid at home, with supplemental doses available on the go and throughout the day with the shelf-stable elderberry syrup bites.

This Bundle Provides (1) month of elderberry supplementation for (1) individual adult taking 1 dose daily plus 20 servings of supplemental syrup bites for additional support on the go or throughout the day.

As an affiliate partner, have your patients choose auto-replenish to receive the greatest savings and select the frequency of delivery to reflect every (1) month.

FOR INTERNAL USE ONLY

PRODUCT DESCRIPTION & RECOMMENDATION GUIDE

The Premium Bundle is recommended for the families we see or households with (2) individuals who have been given the recommendation to take The POWER of Elderberries liquid once daily.

This bundle provides (1) month of adult liquid servings for two individuals plus 20 servings of supplemental syrup bites for additional support on the go or throughout the day per practitioner recommendation.

As an affiliate partner, have your patients choose auto-Replenish with a frequency of delivery every month.

The On-The-Go Bundle is recommended for individuals who prefer our signature syrup in bite form. Provides a total of 40 Adult Servings or 80 children servings of Elderberry Syrup Bites. This bundle provides an adult (1) month of bites.

As an affiliate partner, have your patients choose auto-Replenish with a frequency of delivery every month.
