

# Avery 3-in-1 Crib

The Avery 3-in-1 Convertible Crib from Serta will help you create a timelessly chic and utterly modern nursery. The sleek silhouette is accented with paneled ends upholstered in a leather-like fabric surrounded with nickel nailhead trim while metal feet dress up the bottom. Designed with your baby's safety in mind, this crib is JPMA certified and features a four-position mattress height adjustment—lowering the mattress height as your baby grows minimizes the risk of them climbing out on their own. And when your child is ready to transition to a “big kid” bed, this baby crib effortlessly converts into a toddler bed and daybed (Toddler Guardrail sold separately).
