

The best Black Friday and Cyber Monday deals of 2019

Smart parents know that Black Friday and Cyber Monday offer some of the most spectacular savings of the year, so if big-ticket items like a stroller, car seat, highchair, electronics, or home essentials are on your shopping list, now's the time to buy. You can also find deals on nursery essentials, toys, clothing, and diapers.

Black Friday and Cyber Monday deals come and go quickly, so a word of warning: If you see something you want, don't delay, or it'll be sold out.

Amazon's Black Friday sales officially start midnight EST on November 22, 2019 and end at midnight November 29. Walmart's sales start 10 p.m. on Thanksgiving, November 21, and there's no word yet exactly when they will end. Meanwhile, Amazon's Cyber Monday deals begin on November 26, 2019, and run through December 2, while Walmart's Cyber Monday deals have already begun filtering out, but will really get going at midnight EST December 2.

As you can tell, it's hard to tell what'll happen and when -- deals drop unpredictably ahead of time, so keep watching this space for hand-picked deals especially for parents.
