Delta Children Middleton Nursery Glider Swivel Rocker Chair

If you like traditional furniture with a bit of glam, this glider's wingback style, rounded roll arms, and nail head trim will appeal. Parents say this chair is comfortable, supportive, and easy to clean. It glides back and forth and swivels 360 degrees.

Heads up

Some parents say this glider starts to make a squeaking sound after a few months of use.

Specs

- Ottoman sold separately
- Some assembly required
- 35.3 x 30 x 34.1 inches

Available at Amazon starting at \$399.99
