

9 Top-Rated Changing Tables for Your New Nursery

Before bringing baby home, you need to stock the nursery to the max — and that *doesn't* mean filling it with oversized teddy bears and a mountain of [adorable onesies](#). You need plenty of practical picks to keep your little one happy, healthy, and completely comfy. And that includes a place to change baby's diaper. While the floor, a table top, or your bed might seem ideal, these dedicated changing tables provide safe, structured, and even stylish places to handle [diaper duty](#). Oh, and they also happen to have top reviews on Amazon too.

1. **Delta Children Eclipse Changing Table (\$126)**: This four-and-a-half star pick is easy to assemble and provides plenty of storage space. While it's not over-the-top on the added frills factor, it's a piece of furniture that will serve you and your baby well.

9. Delta Children Eclipse Changing Table (\$90): This crib has a non-toxic finish and top safety rails. It also includes a changing pad, which means you have one less thing to buy before baby arrives.
