BABY SAFETY MONTH: 16 ITEMS TO ENSURE SAFETY FOR BABIES

By **Daily Mom** - September 19, 2020

It's that time again! Every September is recognized as baby safety month. Your baby's safety is your number one priority and you have probably spent countless hours researching products and practices. This September is a great time to reevaluate the products in your home for baby safety. Be sure to check the products on your registries and wish lists to ensure that they are up to par on safety standards. Better yet, here are 17 items to ensure safety for babies and kids.

Delta Children has designed the crib of your dreams. It's eye-catching, safe, durable, and one of a kind. **The Sloane 4-in-1 Acrylic Convertible Crib has a unique design and features clear acrylic spindles.** This crib's unique acrylic spindles will not only ensure beautiful and creative nursery photos but seeing your baby's sweet sleeping face will be possible. The bronze feet add pizzazz and elevate the look of this crib. Whether you are trying to be matchy-matchy or love mixing different decor styles in one space, this crib will be the perfect fit for any nursery.

When the day has come to an end and it's time to put your precious little one to bed in a sweet slumber, you can do so confidently in the [Sloane 4-in-1 Acrylic Convertible Crib](#). ***Delta Children works closely with leading safety organizations, uses the healthiest materials, and tests their products above the federal standards*** to be sure that you won't lose a wink of sleep over worrying about safety for babies.

Babies grow into toddlers, and toddlers grow into kids. To be sure that you have what you need through all the stages, [Delta Children](#) designed the [Sloane 4-in-1 Acrylic Convertible Crib](#) to grow with your little one. Three adjustable heights provide safety for babies in this crib and make it easier for parents to scoop them up for morning snuggles. Also, the Sloane 4-in-1 Acrylic Convertible Crib is cost-effective by **turning into a toddler bed with a side rail, sofa, and a daybed** when the time comes. Best news of all, assembly is easy peasy.
