

DAILY MOM

The holidays are even more exciting when you're welcoming a little one into the world! **Although babies cannot understand the concept of asking for or receiving a gift, you would be surprised at the amount that those little ones need.** We've put together a list of gifts for new babies that will make everyone happy!

There is so much variety when you're looking for gifts for new babies. From toys to blankets and bibs to even items made just for mealtimes, you have so many things to choose from. Luckily for you, parents will be happy with whatever you gift them, but let's make sure that this year it's something a little special!

DELTA CHILDREN

Personalizing a child's room with furniture that is just their size and style makes them feel a certain type of happiness when they enter their bedroom. A chair is the perfect example of simple furniture addition that can add personality and functionality to your child's space. The [Cozy Shark Chair](#) from Delta Children is a blue plush armchair with a shark-shaped backrest, complete with a shark fin on top.

Made with a wooden frame and soft upholstery, this chair is sturdy and durable and will last for years. The [Cozy Shark Chair](#) compliments many themes of children's bedrooms but fits especially well in an under-the-sea theme or shades of blue decor. This armchair is a great place for your child to discover independent activities such as reading, watching movies, or lounging.
