The Best Last-Minute Christmas Gift Ideas For Kids At Every Age On Your List

Your guide to great gifts for every kid in your life.

Somehow by the end of the year, most of your kids' favorite toys are MIA. Parts are missing, pieces are broken and things just don't work anymore — often because the gift was never age appropriate. Thoughtful gift-giving begins with thinking about what types of gifts will peak a kid's interest based on their age range. Here, are age-specific gift ideas from birth through 15 years old to help you with any last-minute gifts that are still on your list.
