

Mother's Day Gift Guide: Great Ideas for New Moms

GETTY

Bringing home a new baby is an incredible experience, but it can also be intimidating and exhausting. Learning the ins and outs of parenthood takes time, and those early days are often pretty overwhelming. This Mother's Day, why not lighten the load a little by pampering the new mom in your life. Here are some suggestions to help you get started!

Delta Travel Stroller

Anyone who has ever traveled with kids will know that it's not always easy. Even if you have a great strategy and pack light, you only have two arms. When you're toting your own luggage, a car seat, a diaper bag and, of course, a baby, having to deal with a clunky, oversized stroller is the last thing you want to do!

Delta Clutch Travel Stroller DELTA

The new [Clutch Travel Stroller](#) by Delta Children weighs just 11.7 pounds, easily folds up to fit into an overhead compartment and includes a travel bag. This is a great gift for that special mom who is always on the go!
