## Gift Guide 2020: What To Get Your Colleagues, Employees, And Clients This Holiday Season

It's that time of the year again! The time for showing appreciation to those who make your life possible or better. Every year, I curate my own list of what to give that special someone in your professional life, whether that's your colleagues, clients or employees. Here's my [holiday gift guide](#) from last year and a special edition [mini gift guide](#) for this year as well.

Here's my 2020 list of the best holiday gifts. I am truly hopeful that you will find something for everyone on your list.

### **For the WFH Parent:**

*Joolz Stroller*: Very compact and perfect for the urban setting. Assembles with ease. Got more than one? Consider the *Silver Cross* tandem (they also have an adorable *doll pram* to match). Looking to gift a bassinet? Check out **Simmons** *City Sleeper Bassinet* for the latest addition to the family.
