

## Delta Children launches Baby Shark toddler bedroom

Collection offers four-piece boxed set, upholstered chair

NEW YORK – Youth furniture resource Delta Children has launched its latest themed toddler furniture collection in time for the holiday shopping season.

The newest collection is themed after the popular animated Baby Shark character, which also has a popular song that earlier this month became the most viewed YouTube video of all time with more than 7 billion views.

The Baby Shark collection joins other similar themed toddler bedroom sets that include Minnie and Mickey Mouse, Paw Patrol, Batman, Wonder Woman, Toy Story, Frozen, Sponge Bob, Spider Man and more.
