6 Table and Chair Sets for Your Toddler

The time finally comes in every child's life when they're ready for a table and chair set that's designed just for them. Shopping for a toddler table and chair set is a bit of a [milestone](#).

All toddler tables are cute (tiny furniture!), but you'll also need something durable that can transition from [mealtime](#) to learning or [arts and crafts](#) sessions. So, as you consider adding a toddler table and chair set to your home, take a look at some of our recommendations to help narrow your search.

Table measurements: 23.2 H x 20.5 L x 22.8 W

If space is at a premium in your home, then this simple chair-desk combo from Delta Children is a great solution. This petite setup is made from engineered wood and comes either in solid hues or brightly decorated with popular characters like Mickey Mouse, Elmo, and PJ Masks.

Reviewing parents say that this desk is easy enough to assemble and feels sturdy. And most folks rave about the storage drawer under the seat and that there's a removable cup holder to hold markers and colored pencils.
