

The Mom-Approved Gift Guide For The New Mom In Your Life

Whether you're shopping for the mother of your child or your bestie who recently gave birth (or is about to), the holidays are a time to make new moms feel extra special. As someone who welcomed a precious baby girl one-year ago, thoughtful gestures wrapped in useful gifts for me and baby helped me on on some of my most exhausted days.

Not only is this stroller perfect for the new mom in your life who loves to travel, it's perfect for the new dad in your life as well! The **Jeep Breeze Stroller (\$200)** by Delta Children is lightweight and compact — a big transition from the newborn stroller with bulky car seat you used to bring your baby home from the hospital. The Jeep Breeze only weighs 15 pounds and is TSA-carry on approved for flying. Dad will also love this stroller that comes in two color variations and makes him look good.
