

The Best Amazon Prime Day Kids & Baby Deals to Shop

The most-anticipated day of the year is just about a week away! Well, at least in the world of shopping on [Amazon](#). In case you've been overwhelmed with the never-ending news cycle these days and *somehow* missed it, Amazon [Prime Day](#) is officially happening on October 13th and 14th and brands are *already* dropping info on their sales right now.

So this is a PSA to parents everywhere that now's the time to get unbelievable deals on [strollers](#), carseats, and other kids and baby essentials from your favorite brands like Tommee Tippee and Delta Children. These are the cheapest prices we've ever seen.

Prime Day usually happens in the summer but was [delayed due to the pandemic](#), but honestly, this timing works out way better since it's closer to the holidays. So, in addition to picking up those pricier kids and baby items you've been waiting all year to buy (check out Delta's deals on [strollers](#) and Lansinoh's super low prices on breast pumps below), it's also the perfect time to pick up other essentials parents need like an [Instant Pot](#), [Echo Dot](#), and other holiday gifts for everyone on your list.

Delta Children Deals on Strollers, Play Yards & Toddler Furniture — More than 30% Off

Now's the time to splurge on big-ticket baby and kids items like a brand new stroller or new furniture for their room. You can save more than 30% off must-have strollers and nursery items.

This one-hand-fold stroller will be more than 20% off when Prime Day rolls around, so don't skip a beat on this one. The oversized canopy will keep your little one protected from the sun, and it's ultra lightweight so you can carry it with ease.
