Delta Children Poppy House Twin Bed

The whimsical house shape of this bed adds charm and character to any child's bedroom. They'll use the bed to play house, build next level blanket forts or pretend to campout in their bedroom.

Bookrack at the footboard provides storage for books, magazines and more. Your child's favorite bedtime story will always be within reach. Made of sustainable New Zealand pine wood & TSCA compliant engineered wood. We know chemicals have no place in your child's room, so we use a non-toxic multi-step painting process that is lead & phthalate safe.
