

## 22 of our favorite gifts for 4-year-olds— from the practical to the fun 🙌

If you're still shopping for the **preschooler in your life**, don't sweat. We've got you, mama! Whether you're looking for toys for your nieces and nephews or **searching for gifts** for your own little ones, we can help. Motherly's editors have been keeping track of the products that were hits in our own households so that we can pass them on to you.

**Here are 22 gifts our older kiddos are loving right now, from clothes to games to toys:**

### Delta Children universal toy box

This typically kids want toys to put *inside* a toy box, but this will keep their playroom or bedroom organized and that's seriously a gift to the entire household. It's also great piece for encouraging your kid's independent play.
