

## 20 magical gifts we're giving our 4 to 7-year-olds ✨

by Heather Marcoux

If you're still shopping for the school-age kids in your life, don't sweat. We've got you, mama! Whether you're looking for toys for your nieces and nephews or searching for gifts for your own little ones, we can help. Motherly's editors have been keeping track of the products that were hits in our own households so that we can pass them on to you.

Here are 20 gifts our older kiddos are loving right now, from clothes to crafts to toys:

## PAW Patrol deluxe kids art table

cdn.shopify.com

This is as multifunctional as a toy can get. It's part dry erase board, part bookshelf and part toy bin. Plus your *Paw Patrol* lovin' kid is going to adore seeing all their favorite pups daily in their playroom. It's a great piece for encouraging your kiddo's creativity and independent play.
