“ *If you have fixed a budget or you have spent a big amount of your baby room on the 'prominent' things such as the [crib](#), [crib mattress](#), rugs, storage then this brand is quite affordable*

The [Delta Children Eclipse Changing Table](#) which is featured in the image is the most popular and best selling changing table by Delta.

[Delta changing tables](#) come in four beautiful colors including: black, cherry, espresso.

Keep in mind that you will need to buy baskets to use its storage space properly as this diaper changing table has open storage space without drawers. Also, you will need to move it to some other room or at least remove all the stuff from its shelves as soon as your baby starts crawling. It also comes with safety belt and a changing table pad
