For serious Star Wars fans

Star Wars may be set in a galaxy far, far away, but fans can now have the ultimate experience in their living rooms with Lenovo's Star Wars iCubes Challenge. This smartphone-powered augmented reality product lets fans experience Star Wars in new ways with the Lenovo Mirage AR headset, Light Saber controller and tracking beacon for hours of gameplay, including Lightsaber battles, strategic combat and holochess. A content expansion is also available.

Available at Best Buy; \$199

Father's Day gift marks the spot

Whether it is dad's favorite city, town or locale, UncommonGoods' Hometown Maps Barware collection specializes in creating one-of-a-kind glassware with the maps of cherished places. Go beyond the average cup and choose a top-quality glass that is designed with the streets and neighborhoods of your father's beloved hometown. You can even add a custom text to make your gift truly unique.

Available at www.uncommongoods.com; prices vary (Boston pint glass shown is \$18)

Fresh coffee delivered to your door

Each week Swell Coffee will deliver freshly roasted beans from San Diego, CA, to your doorstep, so you can savor your morning cups at the peak of freshness. Each of Swell Coffee Co.'s roasts is made with responsibly sourced, single-origin beans that are sent straight from the farm to the roaster.
