6 Best Baby Bath Seats and Buying Safety Tips

CREDIT: ART: JILLIAN SELLERS.

There's nothing like the smell of a fresh-from-the-bath baby...but trying to get the job done isn't easy. Getting a handle on a squirmy, slippery infant while soaping up a washcloth will make any parent wish for an extra pair of hands! That's where bath seats come in. By providing a stationary spot that supports your little one, these devices will help you master tub-bathing like a pro.
