

Delta Children 4-Piece Toddler Bedroom Sets Only \$99 Shipped!

© NOVEMBER 11, 2020 NO COMMENTS

What a great deal on a bedroom set!! Head over to Walmart where you can get one of these [Delta Children 4 Piece Toddler Bedroom Sets for Only \\$99 Shipped! \(Reg. \\$130\)](#). The Sleep and Play Toddler Bed features a low mattress height and built-in guardrails that make it the best option for your child's first big-kid bed, giving them the independence they crave while keeping them safe throughout the night. The bed's versatile plastic frame can also be used as a play enclosure or a ton of other fun things, like a ball pit (play balls not included). The 6 Bin Design and Store Toy Organizer features six fabric toy bins in three different sizes to stow a ton of toys, plus comes with reusable vinyl cling stickers that allow your child to decorate the sides themselves. The Desk with Chair provides the perfect space for your child to do homework, remote learning, art projects or eat, while the cleverly designed chair features a storage bin underneath for easy access to art supplies, toys, books, or games! Get the Batman 4-Piece Room-in-a-Box Bedroom Set by Delta Children today!
