

Andy Cohen Just Shared His Must-Have Baby Essentials From Amazon – Here Are Our 15 Favorites

Since [welcoming his first child](#), a son [named Benjamin](#), on Feb. 4, [Andy Cohen](#) has been [loving dad life](#) – but he's had some help navigating the ins and outs of parenthood, thanks to a few awesome baby gear essentials. The dad, who will be celebrating his first [Father's Day](#) this month, released his "[New Dad Essentials](#)," a list of his must-have products – all available on Amazon.

"As a first-time dad, I was a little overwhelmed with what products my son and I would need," reads the landing page for his curated list. "I'm still figuring out this maze of parenthood, but I wanted to share my list of essentials (for baby and me!)."

From bathtime essentials (Andy says, "Nothing in the world smells sweeter than a freshly bathed baby," and we agree times infinity!) to travel necessities (like [his BabyBjorn carrier](#)), here are some of our favorite picks from Andy's list.
