

3 Ways to Budget For Bebé That Even the Most Deal-Minded Abuela Will Approve Of

One of the best things I did when I had my son was purchase a crib for him that could later be turned into a toddler/big-kid bed. The [Delta Children Skylar 4-in-1 Convertible Crib](#) (\$170) is a great option because it's literally the only bed you'll ever need to purchase for your child. It transforms from crib to toddler bed to daybed and finally to a full-size bed when they're ready.
