TeePee Play Tent

No place to play outside? Host a campout in your living room. These awesome teepees give little campers plenty of room to pack up their gear and some snacks for an indoor adventure. Available in six different designs for both boys and girls, you can find a style to suit every personality. We love that these teepees are made with canvas so they don't get as hot as traditional play tents and they come with a convenient carrying case to pack it up easily after play.

Ages: 3 and up.
