

14 Best Toddler Easels To Encourage Art, Creativity, And Screen-Free Fun

An art easel for kids is a fun (screen-free!) way to keep your little one entertained. Not only do they boost creativity and have tons of other benefits, but they can also hold your child's attention for more than, say, five minutes (a kid must-have, if you ask us). The best toddler easels out there are versatile, durable, easy to clean, and straightforward (although, admittedly, a bunch of fun and unique features never hurts!). So if you have a budding artist on your hands, read on!

Delta Children MySize Kids Double-Sided Storage Easel

Featuring a simple and minimalistic design, this easel is still plenty of fun. It's double-sided, with a chalkboard and magnetic dry erase board, has an attached paper roll, and features two large and removable bins to hold all the accessories and/or toys. It's simple, to-the-point, and easy to use, because sometimes kids don't need all of the fancy features in order to have fun.
