

15 affordable finds that can instantly upgrade your child's bedroom

From furniture to wall decor, we found picks for every budget.

Whether your kids have been learning from home and want to change up their space or a bedroom makeover is one of their New Year's resolutions, you don't have to completely renovate and remodel in order to make their space feel brand new.

There are plenty of affordable ways to make a child's space feel cozy and updated without going over your budget or applying new coats of paint to the wall. Some of the best kid's bedroom updates can be as simple as adding a new piece of furniture into the mix or sprucing up barren walls with some unique pieces of decor.

Ahead, we've rounded up some budget-friendly and functional pieces that can help transform your child's bedroom into a spot that rivals their playroom.
