Write Your Own!

Practice Space | Your Six-Word Memoir

I walk and my body sleeps.

The sun still rises every morning.

Fictional worlds, characters, and scenarios - breathtaking.

Cereal without milk, causes bad days.

Late homework, gets my teacher mad.

Think with no box in sight.

who doesn't like an avocado toast?

Life's a dish with no recipe.

Be a good voice not an echo.

Be a warrior, not a worrier.

Happiness is only real when shared.

The books are listening to us.
