VELOCITY 20 ADVENTURE JACKET

600D

\$139.95

VELOCITY 20 ADVENTURE BLACK STEEL
V20ABS

SUMMARY

VELOCITY 20 ADVENTURE is a motorcycle adventure style jacket with multiple waterproof pockets and a waterproof drop liner. The front placket is secured with high quality velcro and brass buttons. There are reflective panels at the front, arms and the back for maximum visibility. The jacket has CE Level 2 armours in the elbows, shoulders, back and the chest. The elbow, shoulder and back armours are adjustable to ensure the perfect fit. The bicep, forearms, waist and bottom have velcro straps for extra flexibility and comfort. The jacket features four zippered box pockets at the front and one large pocket at the rear. For maximum air ventilation, the jacket has two vents above the chest, two vents above the waist, one vent each on the arm and three vents at the back. The jacket includes a removable thick thermal lining for extra warmth.

FEATURES

- **VELOCITY 20 ADVENTURE** Jacket is made with 600D Polyester Cordura, with a second-layer of 600D Ripstop in partial areas of Zone 1 & Zone 2.
- CE Level 2 Shoulder armours are included. (EN 1621-1:2012)
- CE Level 2 Elbow armours are included. (EN 1621-1:2012)
- CE Level 2 Back armour is included. (EN 1621-1:2012)
- CE Level 2 Chest armour is included. (EN 1621-1:2012)
- A total of nine air vents on the front, back and arms.
- Bar-tack stitching for maximum safety.
- Adjustable Shoulder/Knee/Back armours for a precise fit.
- Uses nylon bonded coats thread.
- Features reflective printing and panels on the front, arm and back
- Features five waterproof box pockets on the front and back. Two internal mesh pockets.
- Features a thick removable thermal lining and a fixed waterproof lining.
