GLAZED CERAMIC | WALL TILES

COLOUR SELECT

JOHNSON • TILES 

MADE IN THE UK SINCE 1901

1901

A proud celebration of our heritage, 1901 pays homage to traditional glaze effects. With a rustic structure on the contemporary slim brick format of 245x75mm, 1901 gives the illusion of beautiful, handcrafted qualities. The seductive colour palette takes inspiration from the Astral trend, showcasing rich indigo, sumptuous ruby and bottle green, along with the classic tones of white, black and grey. Named for aspects of our history, this collection creates an opulent, luxurious aesthetic.

Important Information

During the manufacturing process of ceramic, vitrified and porcelain tiles, some variation in shade and pattern can occur. Before fixing any tiles; several boxes should be opened and their contents mixed to ensure that size, colour, shade and patterning are acceptable. The tiles shown are quality products and conform to the physical properties listed above.

- All sizes shown are metric modular.
- For specific suitability and fit-for-purpose details please contact our technical helpline.
- Johnson Tiles cannot accept responsibility for any tiles that have been fixed.
- Every effort has been made to ensure the accuracy of the information given.
- Johnson Tiles reserves the right to change specifications and availability without prior notice.
- Nothing in these statements does or will affect the statutory rights of the consumer.
