

Handle-Bars

When it comes to Handle-Bars the search is over, you've found the best.

We manufacture a large range of Handle-Bars using only the finest materials and processes and paying attention to detail.

Our range includes 7/8" (22.2mm) street, off-road and enduro.

We also make 1" and 1 1/4" bars in a large range of bends which include drag, western, ape hangers and T-bars – perfect for your Harley or cruiser.

- Knurled clamping area
- End plugs
- All 1" and 1 1/4" are hand polished and chromed

To view the full range of Handle-Bars visit our website www.ventura-bike.com
