NOTES

- Crocheting begins at the nipple.
- It's crocheted in the round.

- The stitch marker indicates where the start of the next round is. It must be placed on the first stitch of each round and removed once finished in order to be able to place it on the next stitch.
- When changing the color of the yarn, pull up a loop with the old color yarn and use the new color yarn to complete the single crochet.
- This pattern includes instructions for crocheting bra cup sizes A, B, C and D.
- To crochet a bra cup size DD, continue from the instructions for size D with a row of 14 Sc, 1 Inc.; another round of 15 Sc, 1 Inc.; 4 rounds of 102 Sc; begin the decrease with 15 Sc, 1 Dec; next round 14 Sc, 1 Dec; and then continue with the rest of the instructions for size D.
