about the outdoor kitchen series

The outdoors are meant to be enjoyed, and that's why we created the Outdoor Kitchen Series! All Outdoor Kitchen Series products are modular by design to fit together seamlessly and keep entertaining simple, easy, and worry-free. Made from sturdy, durable aluminum food-grade stainless steel countertops, and held together with our quick connecting corner joints that make assembly a breeze. As with all Veradek Outdoor products, the Outdoor Kitchen Series is weather resistant to stand the test of time. Long gone are the days of shuffling through the screen door with platters in hand; it's time to start the party outdoors!
