pH: no data available  
Flashpoint: not available; product contains more than 50% water and no flammable ingredients  
Vapor Density: Not applicable  
Boiling point: >200°F  
Solubility in water: soluble  
Melting point: not applicable  
Specific gravity: ~1  
Explosive properties: Not explosive

---

#### **Section 10: Stability and Reactivity**

Conditions to avoid: No applicable information found.  
Other recommendations: none

---

#### **Section 11: Toxicological Information**

Chronic effects: Not expected to have chronic health effects.  
Target organs: No adverse health effects on target organs is anticipated from this product.  
Carcinogenicity: Finished product is not expected to be carcinogenic  
NTP: NO      OSHA: NO      IARC: NO

---

#### **Section 12: Ecological Information**

The product ingredients are expected to be safe for the environment at use concentrations and accidental spills. All packaging components are compatible with local and state disposal requirements and rules.

---

#### **Section 13: Disposal Considerations**

Dispose of unused or used product according to Federal, state and local regulations. For both household and non-household settings, do not discharge product into natural waters without pre-treatment or adequate dilution. When disposed of as waste in a non-household setting it is considered as non-hazardous per Federal RCRA regulations.

---

#### **Section 14: Transport Information**

Product is classified as non-hazardous by DOT.

---

#### **Section 15: Regulatory Information**

This product is regulated as a cosmetic by FDA (US), HPB (Canada), Cosmetic Directive (EU).  
SARA Title 3: This product contains no chemicals that require reporting.

**Section 16: Other Information**

This SDS is intended to provide a brief overview and summary of our knowledge and guidance regarding the use of this product. The information has been compiled by Agadir and is thought to be dependable and accurate to the best of our knowledge. It is not meant to be an all-inclusive document. This document is offered in good faith. Each user of this material needs to evaluate the situation and conditions of use and design those mechanisms to prevent personal and property exposure and release to the environment. Agadir assumes no responsibility for injury to the recipient or third persons, or for any damage to any property from misuse of this product.
