Section 5: Fire-Fighting Measures

This product is combustible per FHSA (16 CFR 1500) but not flammable or explosive.

Suitable extinguishing media: Water spray, alcohol resistant foam, dry chemical or carbon dioxide (CO₂)

Explosion hazard: No applicable information has been found.

Firefighting instructions: Use self-contained breathing apparatus and full protective gear if large quantities are involved. Thermal degradation may also produce oxides of carbons and/or nitrogen and silicones.

Section 6: Accidental Release Measures

Procedures for spill/leak clean-up:

For household settings: absorb liquid and scrub area with detergent. Surfaces exposed may be slippery.

For non-household settings: Use safety glasses/goggles and gloves or aprons if a splash hazard exists. Absorb liquid and clean area with detergent. Surfaces exposed may be slippery.

Section 7: Handling and Storage

No unusual or special handling or storage requirements. Warehouse storage of large quantities should be in well ventilated, cool area.

Section 8: Exposure Controls/Personal Protection

This is a personal care product that is safe for consumers and other users under normal and usual conditions. If a large spill occurs avoid prolong contact with skin and clothing.

Section 9: Physical and Chemical Properties

Color, odor and appearance: transparent amber, viscous liquid

pH: no data available

Flashpoint: 142°F Tag closed cup

Vapor Density: Not applicable

Boiling point: >200°F

Solubility in water: soluble

Melting point: not applicable

Specific gravity: 0.96

Explosive properties: Not explosive

Section 10: Stability and Reactivity

If presented with a flame, this product will burn.
Conditions to avoid: No applicable information found.
Other recommendations: none

Section 11: Toxicological Information

Chronic effects: Not expected to have chronic health effects.
Target organs: No adverse health effects on target organs are anticipated from this product.
Carcinogenicity: Finished product is not expected to be carcinogenic
NTP: NO OSHA: NO IARC: NO

Section 12: Ecological Information

The product ingredients are expected to be safe for the environment at use concentrations and accidental spills. All packaging components are compatible with local and state disposal requirements and rules.

Section 13: Disposal Considerations

Dispose of unused or used product according to Federal, state and local regulations. For both household and non-household settings, do not discharge product into natural waters without pre-treatment or adequate dilution. When disposed of as waste in a non-household setting it is considered as non-hazardous per Federal RCRA regulations.

Section 14: Transport Information

US DOT information:
Not Regulated by DOT.

Section 15: Regulatory Information

This product is regulated as a cosmetic by FDA (US), HPB (Canada), Cosmetic Directive (EU).
SARA Title 3: This product contains no chemicals that require reporting.

Section 16: Other Information

This SDS is intended to provide a brief overview and summary of our knowledge and guidance regarding the use of this product. The information has been compiled by Agadir and is thought to be dependable and accurate to the best of our knowledge. It is not meant to be an all-inclusive document. This document is offered in good faith. Each user of this material needs to evaluate the situation and conditions of use and design those mechanisms to prevent personal and property exposure and release to the environment. Agadir assumes no responsibility for injury to the recipient or third persons, or for any damage to any property from misuse of this product.
