

Safety Data Sheet

Section 1: Identification

Product Name: Fantasia Tea Tree Naturals 2515

Company Name & Address: Fantasia Industries Corporation
620 Valley Health Plaza
Paramus NJ 07652

Telephone: 201.261.7070

Emergency telephone: Chemtrec 703.527.3887

Product Use: This is a consumer product; applied to skin as an antiseptic.

Section 2: Hazard Identification

Warning: Flammable liquid category 3, Acute Toxicity Category 4 and Eye Irritation Category 4

Emergency Overview:

Potential health effects:

Liquid and vapor are flammable; Keep away from heat/sparks/open flames/hot surfaces.

Eye: Causes serious eye irritation.

Skin: not expected to be irritating, sensitizing, photoallergenic or phototoxic when used as intended. If irritation does occur, it is expected to be mild and transient.

Ingestion: Harmful if swallowed.

Section 3: Composition/Information on Ingredients

Tea Tree Oil (Melaleuca alternifolia oil)	CAS 68647-73-4	100%
---	----------------	------

Safety Data Sheet

Section 4: First-Aid Measures

- Eye Contact:** causes serious eye irritation. Remove contacts if present. Open eyelids and flush gently with running water for at least 15 minutes. Seek immediate attention if irritation persists.
- Skin contact:** Seek medical attention if irritation develops.
- Inhalation:** If vapors are inhaled and breathing difficulty is experienced, remove victim to fresh air. Seek medical attention if difficulty persists.
- Ingestion:** If swallowed, call poison center immediately. Do not induce vomiting and rinse the mouth with water. Seek immediate medical attention.

Note to Physicians: Treat symptoms and eliminate exposure.

Section 5: Fire-Fighting Measures

- Flash Point:** 135 - 140°F
- Suitable extinguishing media: Water spray, alcohol resistant foam, dry chemical or carbon dioxide (CO₂)
- Explosion hazard: No applicable information has been found.
- Firefighting instructions: Use self-contained breathing apparatus and full protective gear if large quantities are involved. Keep material cool using water spray.
-

Section 6: Accidental Release Measures

Procedures for spill/leak clean-up:
For household settings: absorb liquid and scrub area with detergent. Surfaces exposed may be slippery.
For non-household settings: Use safety glasses/goggles and gloves or aprons if splash hazard exists. Absorb liquid and clean area with detergent. Surfaces exposed may be slippery. Dispose of waste according to local regulations.

Section 7: Handling and Storage

Store in cool, dry environment out of exposure to sunlight. Warehouse storage of large quantities should be in well ventilated, cool area.

Section 8: Exposure Controls/Personal Protection

This is a personal care product that is safe for consumers and other users under normal and usual conditions. If a large spill occurs, avoid contact with eyes, skin and clothing.

Safety Data Sheet

Section 9: Physical and Chemical Properties

Color, odor and appearance: colorless to pale yellow clear liquid with characteristic odor.

Physical state: liquid

pH: no data available (anhydrous product)

Flashpoint: 135 - 140°F

Vapor Density: Not applicable

Boiling point: Not available

Solubility in water: insoluble

Melting point: not applicable

Specific gravity: ~0.9

Explosive properties: Not explosive

Section 10: Stability and Reactivity

Conditions to avoid: Avoid exposure of liquid to fire, spark or flame due to flammability.

Other recommendations: Stable under normal conditions of use and storage.

Section 11: Toxicological Information

Severe Eye irritant; may cause redness, irritation or oedema.

Chronic effects: Not expected to have chronic health effects.

Target organs: No adverse health effects on target organs is anticipated from this product.

Carcinogenicity: Finished product is not expected to be carcinogenic

NTP: NO OSHA: NO IARC: NO

Section 12: Ecological Information

The product ingredients are expected to be safe for the environment at use concentrations and accidental spills. All packaging components are compatible with local and state disposal requirements and rules.

Section 13: Disposal Considerations

Dispose of unused or used product according to Federal, state and local regulations. For both household and non-household settings, do not discharge product into natural waters without pre-treatment or adequate dilution. When disposed of as waste in a non-household setting it is considered as non-hazardous per Federal RCRA regulations.

Section 14: Transport Information

US DOT information: ORM-D

Safety Data Sheet

Section 15: Regulatory Information

This product is regulated as a cosmetic by FDA (US), HPB (Canada), Cosmetic Directive (EU).

This product is classified as a combustible product per CPSC FHSA.

SARA Title 3: This product contains no chemicals that require reporting.

Canada: Included on the Domestic Substances List (DSL).

Section 16: Other Information

This SDS is intended to provide a brief overview and summary of our knowledge and guidance regarding the use of this product. The information has been compiled by Fantasia and is thought to be dependable and accurate to the best of our knowledge. It is not meant to be an all-inclusive document. This document is offered in good faith. Each user of this material needs to evaluate the situation and conditions of use and design those mechanisms to prevent personal and property exposure and release to the environment. Fantasia assumes no responsibility for injury to the recipient or third persons, or for any damage to any property from misuse of this product.
