Issuing Date 12 Dec 2011 Revision Date January 26, 2021 Revision Number 8

#### Section 1: Identification

Product Name Sea Breeze Original Astringent

Recommended Use Topical Skin Astringent

Supplier Name Idelle Labs Ltd.

Supplier Address One Helen of Troy Plaza

El Paso, Texas 79912

Supplier Phone Number Phone: 800-487-7273

Fax: 915-225-8004

Contact Phone (203) 702-7709

Supplier Email <u>prousso@hotus.com</u>

Emergency Phone Number (Chemtel Incorporated) 1-800-255-3924

### Section 2: Hazard Identification

This SDS is provided as a courtesy to assist in safe handling and proper use of this product. "Consumer products" as defined by US Consumer Product Safety Act intended for use by a consumer in a home or a non-commercial setting are exempt from the OSHA Hazard Communication regulation (29CFR1910). This is a topical OTC or cosmetic product that is safe for consumers and other users under its intended and reasonable use.

This product is classified under 29 CFR 1910.1200 and the Canadian Hazardous Products Regulation as Flammable Liquid (Category 3)

Signal Word Warning
Hazard Statement Flammable liquid and vapor

### **Pictograms**

**Precautionary Statements**Keep away from heat/sparks/open flames/hot surfaces;

no smoking; keep container tightly closed

**Precautionary Statements Response:** May cause mild eye irritation

**Precautionary Statements Storage:** Store in cool dry place

**Precautionary Statements Disposal:** Dispose of contents/container in approved waste

disposal plant

Hazards not otherwise Classified: None

Issuing Date 12 Dec 2011 Revision Date January 26, 2021 Revision Number 8

## Section 3: Composition/Information on Ingredients

Ingredients are listed according to 29 CFR 1910.1200 Appendix D and the Canadian Hazardous Products Regulation. The exact composition is considered trade secret. Key ingredients:

Chemical Name	CAS No.	Weight-%	
Water		30-70	
Ethyl alcohol	64-17-5	15-40	

#### Section 4: First-Aid Measures

Inhalation: Move to fresh air in case of accidental inhalation of vapors.

Skin contact: If skin irritation or rash occurs: Get medical advice/attention.

Eye contact: Rinse cautiously with water for several minutes. Remove contact

lenses, if present and easy to do. If eye irritation occurs and

persists, seek medical attention.

Ingestion: Not anticipated under normal use. If ingested, rinse mouth and

drink plenty of water and seek medical attention.

First aid responders: No special precautions are necessary.

Notes to physicians: Treat symptomatically and supportively.

### Section 5: Fire-Fighting Measures

Suitable extinguishing media: Dry chemical. Carbon dioxide (CO2). Alcohol resistant

foam.

Explosion hazard: Sensitive to static discharge.

Firefighting instructions: Use self-contained breathing apparatus and full

protective gear if large quantities are involved.

Specific Hazards Arising from chemical: Uniform Fire code – Flammable Liquid: I-C

### Section 6: Accidental Release Measures

Procedures for spill/leak clean-up:

For household settings: Eliminate ignition sources (no smoking or sparks/flames in

immediate area); wipe up and rinse with water.

For non-household settings: Eliminate all ignition sources (no smoking, flares, sparks or

flames in immediate area). Absorb with dry earth, sand or other noncombustible material and collect in containers. Wash area

with water to eliminate vapors.

Issuing Date 12 Dec 2011 Revision Date January 26, 2021 Revision Number 8

### Section 7: Handling and Storage

### Handling

Keep in well ventilated cool dry location.

## Storage

Store in cool dry location in accordance with local regulations.

# **Section 8: Exposure Controls/Personal Protection**

Engineering Measures: No information available

Personal Protective Equipment: No special protective equipment required

## **Section 9: Physical and Chemical Properties**

Physical State liquid clear to light yellow color

**Odor** Characteristic

pH@ 25°C 4-6 specific gravity @ 25°C ~1

Melting/freezing point No information available

**Boiling Point/boiling range** 82°C/180°F **Flash point** 23°C/73°F

**VOC content**Complies with US state and federal VOC limits for consumer products

# Section 10: Stability and Reactivity

No reactivity, stability, hazardous polymerization, reactions occur under normal use conditions and during storage conditions. No hazardous decomposition products.

Conditions to avoid: Heat, flames and sparks

Other recommendations: None

# Section 11: Toxicological Information

Likely routes of exposure: No known effect for inhalation, skin contact, ingestion and eye

contact.

Chronic effects from short-term & long-term exposure: Not expected to have chronic health effects.

Target organs: No adverse health effects on target organs is anticipated from this product.

Carcinogenicity: Finished product is not expected to be carcinogenic

Issuing Date 12 Dec 2011 Revision Date January 26, 2021 Revision Number 8

## **Section 12: Ecological Information**

Ecotoxicity: No information available Persistence & Degradability: No information available Bioaccumulation: No information available Other adverse effects: No information available.

## **Section 13: Disposal Considerations**

Dispose of product and its packaging according to Federal, state and local regulations. For both household and non-household settings, do not discharge product into natural waters without pre-treatment or adequate dilution. This material, as supplied, is a hazardous waste according to federal regulations (40 CFR 261).

# **Section 13: Disposal Considerations continued:**

California Hazardous Waste Code (non-household setting): 331

This product contains one or more substances that are listed with the State of California as a hazardous waste: ethyl alcohol 64-17-5 (toxic ignitable)

US EPA waster number = D001

### **Section 14: Transport Information**

DOT

Proper Shipping Name Limited Quantity

Hazard Class None. See 49 CFR 173.150 (g)

Description LIMITED QUANTITY

Emergency response guide (ERG) Not applicable. No hazard class, no HAZMAT shipping papers, no hazard label and no emergency response info required for LTD QTY via ground.

**IMDG** 

UN Number UN1266

Proper shipping name Perfumery Products

Description UN1266, Perfumery Products, 3, III, (23°C c.c) LTD QTY

Hazard Class 3

EmS-No F-E, S-D

IATA

UN Number: UN1266
