Impression

iMix[®] Grip Mixing Tips

- Better grip for easier attachment and removal
- Color-coded labeling system
- Precise mixing and easy ergonomic dispensing
- Manufactured with high-quality, non-toxic and chemical resistant materials

Intra-Oral Mixing Tips

- Color-coding system
- Precise and easy dispensing

Color-Pro intra-oral tips feature innovative color-coding system: simply match the colored intra-oral tips with the corresponding HP mixing tips and dispense as usual. The intra-oral tips will allow impression materials to flow easily into the delicate margins of tooth preparations, while keeping the materials bubble-free.
