UPS

The Arnsberg Cayman wall light flaunts a smooth and minimal look, a satin nickel finish and the use of LED light sources with 3000K color temperature. Uses superior OSRAM SMD LED lights with exclusive Opto Semiconductor. These LED lights are smaller, more efficient and put out more light! Cayman also has exclusive Quattro dimming, which means no dimmer switch is required. You can choose from four different levels of light with just the flick of a light switch. Arnsberg offers meticulous German engineering to beautify your home.
