Arnsberg Leipzig is a torchiere lamp look that is excellent for modern and contemporary interiors. The torchiere aims light upward so it can spread all around a space. The sleek look, use of LED and choice of antique brass, satin nickel, satin brass, and museum black finishes keep it modern. Uses dimmable LED light with 3000K color temperature. SMD LED means superior lighting performance and efficiency. Arnsberg offers meticulous German engineering to beautify your home.
