Switch up your ceiling lighting for something from the Arnsberg Seattle line to get a sleeker, more contemporary look! Opal glass shades are held inside frames finished in satin nickel or satin brass. Uses LED light with 3000K color temperature. Uses superior OSRAM SMD LED lights with exclusive Opto Semiconductor. These LED lights are smaller, more efficient and put out more light! Seattle also has exclusive Quattro dimming, which means no dimmer switch is required. You can choose from four different levels of light with just the flick of a light switch. Arnsberg offers meticulous German engineering to beautify your home.
