Antique Brass, Opal Glass

Contract Suitable As Is

A nod to classic mid-century design, the Oberon features opal seeded glass and opal glass globes that circle a steel frame with an antique brass finish. The steel pipes that the globes circumnavigate are encased in clear crystal, which peeks out from the tops and the bottoms of the globes and delivers luxe and style. Additional pipe available (PIPE-422). Damp-rated, although limited covered outdoor areas may affect finish.
