## SPEERS S

By David Abad

### Description:

Suspension lamp system crafted in copper or brass. Features a high-luminance LED light source. It includes a glass lens that focuses the light and enhances its luminous efficiency. An optional opal diffuser provides

dispersed lighting. Available in monochrome copper or brass finishes, each with a gloss exterior and a satin interior. Versions include a white or textured matte black exterior, combined with a shade interior in satin brass or copper. Speers 1 is available in a surface version (S1) and is not dimmable. Versions with 2, 3, 4 and 6 surface suspension fixtures (S2, S3, S4, and S6) are dimmable.
