FISK PENDANT

H: 21.5 IN, Dia: 28.00 IN

Bronze

Contract Suitable As Is

The Fisk presents design elements that are minimal and modern. Though its foundation may seem simple it's anything but. The circular open-form steel bronze structure features an LED ring that pivots from lying flat within the frame to almost vertical—a unique feature that allows you to set the scene from sleek and straightforward to daring and dramatic. Additional pipe available (PIPE-447). Damp-rated, although limited covered outdoor conditions may affect finish.
